Mayor Alisa Griffis addressed the loan, new meters \$60k to pay debt we have no grants or loans. Need to get estimates for repairs. Scope of work for each issue if breaks it needs to be hauled off. Leak on ground from hopper, fine grit gets clogged and trench covered. Warranty information on hopper (next agenda) Steve Hartley can do work. Mayor Alisa thinks City Council should contact if they believe there is something they need to talk to apart from Mayor to do so. Mayor Alisa went over legal fees from 2022 with inflation add on expressing concern of going over time and budget. Torance McClean feels it helps with personnel vendettas becoming a thing and to keep it 2.5 hours a month.
